413.01 PROBATE

PROGRAM DESCRIPTION

The Probate Court is primarily concerned with the administration of estates of persons who die while they are residents of Avon. The Court is also responsible for appointments of guardians of minors, appointments of conservators and adoptions. On January 1, 2011, the Probate Court for the District of Avon merged with the Probate Districts of Canton, Simsbury and Granby to form the Simsbury Regional Court (as part of the State mandated consolidation approved in 2009). The Probate Judge is elected for a four-year term.

PROGRAM COMMENTARY

The Simsbury Regional Court, which serves Avon residents, is located in the Simsbury Town Hall. Operating costs for the Court are distributed among the four participating communities based on relative population of each community (using CT Department of Public Health population estimates). Personnel costs, such as salaries and benefits, are paid directly by the State Probate Court. Avon's share of the Regional Court's costs in fiscal year 2016/2017 will be approximately \$4,950.

PROGRAM DESCRIPTION

The Accounting Division maintains and safeguards all financial records of the Town. Throughout the year Accounting processes and records all revenues and expenditures for the Town and maintains the general ledger to create various reports and financial statements for the Independent Audit, award winning Comprehensive Annual Financial Report (CAFR), and state and federal audits. The Town's last audited CAFR is available for review on the Town's web page, www.avonct.org.

PROGRAM COMMENTARY

The Accounting Department has fully implemented all modules of ADMIN AUC program: payables, receipts, general ledger and payroll and budget. To track employee hours and attendance, we continue to use NovaTime. While the number of vendors and transactions have increased slightly we are maintaining the level of automated transactions. We also remit payroll advices by e-mail saving significant cost in time and supplies.

PERFORMANCE MEASURES

In keeping with the Town's mission to provide quality service at reasonable cost and the Town's long term goal of delivering safe, secure service in an effective and efficient manner, the Accounting Division seeks to increase and promote electronic transactions, which are (1) more efficient in time and cost, (2) more effective in that they are more reliable and secure than paper based methods, (3) faster to execute, and, (4) quicker and easier to reconcile. Prompt, efficient payment for goods and services promotes vendor and community good will and better pricing for the Town, for further savings and better service.

419.11 BOARD OF FINANCE

PROGRAM DESCRIPTION

The Board of Finance consists of seven (7) members, each of whom is elected for a four-year term. The Board oversees all financial activities of the Town. Responsibilities of the Board include reviewing and recommending the annual budget to the Annual Town Budget Meeting, establishing the annual tax rate, reviewing and acting on requests for additional appropriations and appropriation transfers upon recommendation of the Town Council and selecting the Town's independent auditor.

PROGRAM COMMENTARY

Funding is included to adequately cover the costs associated with the publication and review of the Comprehensive Annual Financial Report and Budget by the Government Finance Officers Association (GFOA) and the GFOA Budget Awards Program. The review of the Annual Financial Report is necessary if the Town is to receive a Certificate of Achievement for Excellence in Financial Reporting from the GFOA. The Certificate of Achievement is one factor used in determining the general quality of overall financial management within the community. The Certificate is also believed to be a factor in the Town's AAA bond rating – the highest rating given.

Fiscal year 2015/2016 standard audit fees are estimated at \$73,400, \$3,000 of which is paid from the Sewer Fund (05). It is anticipated that, due to implementation of reporting requirements on the GASB Statement No. 67 on Financial Reporting for Pension Plans, additional audit staff assistance may again be necessary for an additional fee of \$2,500. No change is recommended for 2016/2017.

PERFORMANCE MEASURES

Two of the Town's long-term goals are to "provide continuity in planning and development and guiding growth" and to "ensure long-term fiscal stability and programmatic effectiveness by providing professional management of the Town's programs and finances resulting in effective and efficient delivery of quality Town Services." In support of these goals, the Information Technology Committee works to effectively and efficiently manage WAN hardware, hold regular meetings and document IT decision making, provide technical support to staff, adequately fund software updates and enforce 100% licensing compliance.

* A new system for tracking statistics began in December 2005 and most noticeably affected the results for "Total Hits". A "unique" visitor is counted once per month without regard to number of days he/she visits the website. The statistic is no longer available for tracking beginning fiscal year 2013/2014, and will be removed after 5 year historical reporting.

** The new website, which went active halfway into fiscal year 2014/2015, and accounts for some of the significant shifts in the statistics, has resulted in many improvements in efficiency. The site is more streamlined and more user-friendly and features easily navigated pages and information, including budgets, annual audits/reports, RFP's, job opportunities, agendas, minutes, ordinances, on-line registration for Recreation program, payment of taxes on-line, and a "tax impact calculator," which assists residents in determining their property taxes.

PROGRAM OBJECTIVES

Special objectives beyond those listed in the Program Description:

- To continue access and expansion of the Geographic Information System database and webpage.
- Continue conversion of historical payroll files on ALPHA to Windows Version.
- Implement distributive entry of electronic purchase orders.
- Continue to provide access to BOE staff to the AUC financial system. Town staff to continue to access the BOE Infinite Visions financial system (Matrix recommendation).
